Bill Vaughan, Treasurer

VP/COO (Ret.), FNBV

15 February 2007

A Message from the President:

As we all know, your children's education is the foundation of their future. As the father of four and a resident of Portage since the age of five, I am very proud to be the first President of the Portage Township Education Foundation. I have great pride in the Portage Township School system and look forward to having my children educated there. When I think of what the PTEF and its mission will mean to Portage Township Schools, I think of the 'good to great' concept.

Through your donations, we will be able to provide extraordinary teaching opportunities to our educators, which will then result in expanded educational opportunities for our children. I very much look forward to serving you.

Sincerely,

Kenneth B. Elwood, President
