[Exact Path](#) Students will work on their exact path for reading.

AR Reading and Sight Word Practice (40 Minutes)

AR Reading

Students are to practice their reading for at least 20 minutes. Students may read to self or read to someone. Additionally, students may try a children's online books site such as <http://www.magickeys.com/books/>

Sight Word Practice - [110 Sight Word](#)

Students are to practice reading the 110 words on the Sight Word List.

ART - Learn to draw in minutes with Muffalo Potato! Gather your crayons, markers, pencils, or pens and follow along with John as he teaches you how to draw a wide variety of cartoons by using only numbers and letters.

Watch John draw a letter or number in the air, then copy it on your paper. Just keep drawing and turning your paper with John and before you know it, KA-POW! You're making cartoons! For the ART activity students will go to the link, Muffalo Potato, and select a different "How to Draw" video and sketch what they learn from the video of their choice. (For example, if students used letters and numbers to draw Batman previously, then perhaps they choose to draw a Shopkins Wobble Jello this week using letters and numbers.) [Click here to draw with Muffalo Potato!](#) (Create only 1 for your eLearning assignment)

MUSIC - Students should explore the music activity of their choice for 10 minutes. They may use one of the two websites listed below: <http://www.sfskids.org/classic/templates/home.asp?pageid=1> <http://pbskids.org/games/music/>

PE - Have fun being silly with a Shake Break!!! <https://www.youtube.com/watch?v=uonqN4OTJW0>
